2 Organizing Principles

2.1 Declaration

College Club Swimming (CCS) is an association of collegiate non-varsity Clubs dedicated to supporting camaraderie, friendship and sportsmanship within the swimming community.

2.2 Mission Statement

To promote fitness, camaraderie and competition for college students through swimming.

2.3 Vision Statement

CCS will provide the infrastructure for college swim clubs and their members to more effectively organize programs and competitions and enhance club and student swimming goals.

2.4 Objectives

CCS will work to maintain or achieve the following objectives:

- Support college club formation, growth and continuity
- Provide communication channels
- Establish framework for competition
- Support the swimming community
- Provide and environment to encourage sportsmanship
- Provide leadership opportunities and mentoring at the club and national levels

COLLEGE CLUB
SWIMMING

U.S. MASTERS SWIMMING

3 Swimming Rules

3.1 Starts, Strokes, and Relays

Rules for starts, strokes and relays will conform to the guidelines in the most recent edition of [U.S. Masters Swimming Rules](#).

3.2 Swimming Competition

3.2.1 Recognized Meets

- A. A recognized meet is any swimming pool competition that applies for and receives a CCS sanction through [collegeclubswimming.com](#).
- B. Recognized meets must follow the [U.S. Masters Swimming Rules](#) on starts, strokes and relays per 2.1 with at least one person on deck acting as a starter and/or referee as described in 2.3.1.
- C. Times achieved at recognized meets may be considered for CCS records, rankings, and national qualification, provided the swimmers are members of CCS prior to the start of the meet.
- D. Only times achieved at recognized meets will be eligible for CCS Nationals qualifications.
- E. Recognized meets must be swum in a [USMS Certified Pool](#).
- F. It is the responsibility of the event director to submit the event results in either .SD3, .CL2, or .HY3 format to collegeclub@usmastersswimming.org.

3.2.2 Pool Certification

- A. If a pool for a competition is not on the [USMS Certified Pool list](#), a [Pool Certification](#) request must be sent to topten@usmastersswimming.org and approved before a CCS sanction will be granted for the competition.

3.2.3 Eligibility of swimmer

- A. Any swimmer who has gone through the CCS swimmer registration process and meets the CCS eligibility requirements (3.2) will be eligible to have their times in the CCS database.
- B. Any swimmer who swims with a college club program but isn't registered with CCS may participate in non-regional or national championship meets but their times will not be reflected in the CCS database.
- C. Any athlete who is currently on a varsity team or has competed in a varsity competition in the current academic year is ineligible to register as a CCS swimmer for the concurrent season.
- D. Any swimmer who does not meet the [NCAA amateurism](#) eligibility standards is ineligible to register as a CCS swimmer.

3.2.4 Relays

- A. Relay teams must be composed of four registered CCS swimmers that swim on the same registered CCS Club.
- B. Men's relays must be composed of 4 male swimmers. Women's relays must be composed of 4 female swimmers. Mixed relays must be composed of 2 male and 2 female swimmers.

3.2.5 Swimwear for Competition

- A. Swimwear shall include only a swimsuit (in one or two parts), no more than two caps, and goggles (a nose clip and ear plugs are allowed).
- B. Only swimsuits complying with FINA swimsuit specifications may be worn.
- C. Exceptions may apply for extenuating circumstances and must be approved by the head Meet Official.

3.2.6 Disqualifications

- A. Follow the procedures outlined in most recent edition of [U.S. Masters Swimming Rules](#).

3.2.7 Protests

- A. Protests must be submitted to a designated meet official. If the protest is with the referee, a formal complaint must be sent to collegeclub@usmastersswimming.org within 5 days of the event.

3.3 Meet Procedures

3.3.1 Required Personnel

- A. At minimum, in order to run a CCS sanctioned and recognized meet, the event must have a designated certified meet official acting as the starter and/or referee. CCS recognizes any swimming official certification from the following organizations:
 - i. US Masters Swimming
 - ii. YMCA Swimming
 - iii. USA Swimming
 - iv. NCAA
 - v. National Federation for High School Associations (NFHS)
 - vi. Any other [USMS-Approved Bodies](#) not specifically listed

3.3.2 Timing

- A. Every race in a recognized meet needs to be timed. CCS will accept one of two methods of timing:
 - i. Fully automatic timing with touchpads.
 - ii. Manual timing by individual lane timers with a minimum of 2 stopwatches per lane.

3.3.3 Results

- A. It is the responsibility of the event director to submit the event results in either .SD3, .CL2, or .HY3 format to collegeclub@usmastersswimming.org within 7 days of the event. If results are to be considered for National Championship Meet qualification, event results must be submitted by the announced result submission deadline, even if that date falls before the 7 day deadline.
- B. CCS and the Competition Committee reserve the right to question any result from any CCS-Sanctioned meet for authenticity and enforce individual and team sanctions for any conduct determined to be fraudulent or inauthentic.

3.4 Championship Meets

3.4.1 Eligibility

- A. Swimmers must be registered with CCS prior to the start of the Championship Meet in order to be eligible to participate in any CCS Championship Meet.

3.4.2 Regional Championships

- A. There will be one Regional Championship for each region per academic year.
- B. Regional Championships will not have any qualifying time standards.
- C. The Competition Committee will decide where the regional championships are located based on a bid process.
- D. It is required that there is a minimum of 4 certified officials on deck (referee, starter and two stroke and turn judges) per course.
- E. There must be, at minimum, 1 timer per lane in addition to the automatic timing system with touchpads.
- F. Clubs may compete in Regional Championships outside of their geographically assigned region as described in Section 6, but such Clubs will compete as exhibition. For Regional Championships using the prelims/finals format, only swimmers whose Clubs are located within that geographic region will be permitted to swim in finals sessions.

- G. Clubs swimming at a Regional Championships outside of their geographically assigned region shall have results uploaded to the CCS database and are eligible for Nationals qualification. These results are not eligible for top performance recognition according to 2.5.3.

3.4.3 National Championship

- A. There will be one National Championship meet per academic year.
- B. The National Championship meet will have qualifying standards decided upon by the Competition Committee.
- C. The Competition Committee will decide where the National Championship meet is located based on a bid process.
- D. The qualification period will be defined as the week after the preceding year's national championship until one month before the national championship.
- E. It is required that there is a minimum of 1 USMS/USA Swimming-certified official on deck per 200 swimmers (referee, starter and two stroke and turn judges) per course.
- F. There must be, at minimum, 1 timer per lane on top of the automatic timing system with touchpads.
- G. Only times in the CCS database achieved within the qualification period (2.4.2D) will be acceptable times to qualify for the National Championship.
- H. Altitude adjustments will be made upon request for any CCS-Sanctioned meet swum at or above 3000 feet elevation in accordance with the guidelines set by the most recent edition of the [U.S. Masters Swimming Rules](#).

3.4.4 Disabled Swimmers

- A. All disabled swimmers who wish to compete in the National Championship must meet the USA Swimming Para-Motivational Sectional Time Standards in order to be eligible for CCS National competition. Disabled swimmers are eligible to compete in the 50, 100, and 200-yard events. These time standards can be found by clicking here.
- B. Prior to a championship meet, the swimmer and/or the coach or president of the swimmer's Club must notify the Meet Referee in writing of the swimmer's disability so that, if needed, there is time for accommodations to be made. The Meet Referee may elect to have them swim the 50's during the able-body 100 events, 100's during the 200 events, and 200's during the 400/500 events, based on entry times.
- C. Any swimmer with a disability that is not classifiable by the International Paralympic Committee (IPC) standards, that has been diagnosed by a physician as having a disability, may compete if they meet the national time standard derived from that disabilities' international governing body world standards.

3.5 Records and Rankings

3.5.1 Eligibility

- A. Any result achieved by a CCS swimmer at a CCS recognized meet is eligible for recognition through CCS Records and Rankings.

3.5.2 Rankings

- A. CCS shall maintain a ranking of performances attained in every recognized event each season.

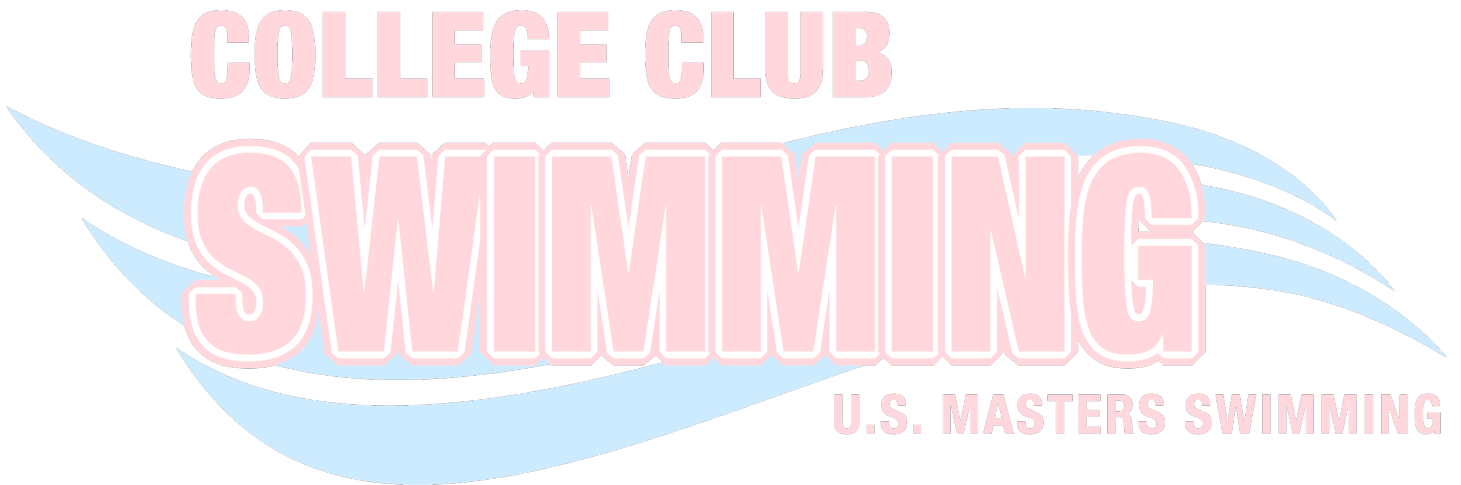

3.5.3 Records

- A. CCS will recognize historically best performances for:
- College Club Swimming
 - CCS National Championship Meet
 - CCS Regional Championship Meets for each Region
- B. Records will become official after the ratification of results in Championship Meets **OR** after submission and acceptance of the Record Application for a result attained at a CCS recognized non-championship meet.

- C. It is the responsibility of the Club to submit the records application and all necessary materials to collegeclub@usmastersswimming.org within 7 days of the conclusion of the meet.

3.6 Facilities Standards

Rules for facilities standards will conform to the current [U.S. Masters Swimming Rules](#).

4 Membership

4.1 Membership of Clubs

- A. Any club in good standing with their affiliated university may become a CCS-registered Club.
- B. There can only be one Club per university.
- C. The club membership year begins on August 1 and ends on July 31 the following year.

4.2 Membership of Individuals

4.2.1 Eligibility of Swimmer within a Club

- A. The Club and its university or college decides who can be a member of their local Club team. The below definition is only for eligibility as a CCS-registered swimmer affiliated with the Club, who will be listed in the CCS database.

4.2.2 Eligibility of Swimmer for CCS

To be an individual CCS member, a swimmer needs to be a member of a CCS registered Club. They can only be a member of one registered CCS Club at a time. The swimmer must also meet the following requirements:
